WORK AND LEADERSHIP EXPERIENCE

Photographer and Editor - River Oak Photography

January 2020 - Current

At River Oak Photography I hold three positions:

- Manage retail including orders and payments from hundreds of customers
- Photograph athletes throughout swim meets
- Tag, sort, and edit 1000s of photos after each event

Teacher Assistant - University of Georgia

June 2019 - Current (Web Development and Intro to New Media)

As the teacher assistant for the New Media Production (web development) course, I assist the professor in answering student's questions, offering advice, mentoring, and guiding the creation of projects in HTML, CSS, Javascript, and Wordpress.

I also work as a TA for Intro to New Media where I am assisting the future of the New Media Institute by leading discussion, designing activities, and assisting with administrative needs.

Head Coach - Edinburgh Marlins Swim Team

May 2013-July 2019

My job includes overseeing a staff of six coaches and a team of over 150 children aged 4 to 18. I have various responsibilities as a head coach, including:

- Manage 6 coaches; schedules, roles and responsibilities
- Organize and establish structure to train 150 swimmers
- Communicate with hundreds of parents in-person and via email, and set expectations for their swimmer's development & goals
- Motivational speeches and presentations during team events and banquets
- Private swim lessons; scheduling, negotiating payments, and goal setting

RECENT PROJECTS

UGA Bus Apple Watch App - WatchOS App Development

- NMIX Capstone project, clients: UGA EITS and Student Government
- Design and develop working Apple Watch app
- Uses API that keeps user updated on live bus information

DAWG ARnieddon - iOS App Development

- Augmented reality game that involves taps and collisions
- Developed using Swift and Xcode

Eliminator Website - Web Development

- Utilizes PHP and MySQL database to store information
- Logs data in comparison format for research
- Developed using JavaScript for visual effects

Freelance Work - Web Design and Development

- Former web developer for UGA's Entertainment Media Industries Club
- Web design and development for independent film "Let's Never Speak of This Again"
